To All Contributing Employers:

Please be advised all benefits for work performed in the jurisdiction of Laborers Local No. 754 must be paid directly to Laborers Local No. 754 even if the employee is a member of another union or not a union member working on a prevailing wage job.

Employees must be paid according to the Laborers Local No. 754 Wage Rates while working in our jurisdiction. **Remittance Reports and payments are due no later than the 10th of the following month (i.e., June Benefits are due July 10th).**

In addition, Department of Labor regulations require funds to keep track of benefits by project to ensure wages and benefits are paid properly. **Therefore, all contributing employers are required to complete a separate remittance form for each project. A Project Location Line has been added to the remittance form.**

Completed remittance reports require signature. Any unsigned remittance reports will be returned for signature.
